I was trying to avoid typical lunch time for the MT folks, but if it works for Kim and everyone else, I say, let's shoot for proposing to Aaron Szabo that time, as well as Tuesday 1-2 or 2:30-3:00 MT. Kim, Please let me know ASAP if Thursday noon to 1pm is not workable for you. It looks like it would work for everyone else.

Thanks,

Claudia

Meant to say Tod Siegal too. I've not talked to any of them, but based on Outlook there is no time this week when everyone (including the cc's here) is available.

If we are okay with having Rick but not Tod or Elliot, Tuesday from 1pm-2pm or 2:30-3pm MT would work. Wednesday from 11-12 would work for all three in OGC, but not Alexas or Jody. I note that noon to 1:00 on Thursday appears to work for everyone (including all three at OGC) except Kim — Kim, is that a movable obligation?

I'll check. I think it would be Rick and optionally Elliott, rather than Brian.

Importance: High

I am looking at Outlook availability and it appears the following dates/times should be available for everyone on this list this week. **Mike, can you please check those dates for availability with OGC (Rick Vetter (and Brian Doster?))?** Everyone else, please let me know all of the dates and times below that would work for you. If we have to go to Friday, because of OGC availability, it appears everyone but Kim and Alexas is fairly open.

Hi Claudia – Can you send some dates/times to Aaron, after you get input from Mike, Kim, Chris and OGC? I will try and sit in, but please schedule around everyone else. Chris Dresser is out this week in the Uinta Basin.

Hi Aaron – I was wondering if you had an update on the list of outstanding issues for the U&O proposed FIP? We briefed Janet McCabe on the proposed FIP status on August 31st and were asked to stay on top of the status.

Aaron,

In addition to the responses to interagency comments we already provided on August 22, 2016, after further evaluation and discussion with EPA senior management, we will be further revising the draft proposed FIP to **Ex. 5 - Deliberative Process**

Ex. 5 - Deliberative Process

Will you require updated versions of the draft notice of proposed rulemaking and draft RIA based on this change? If so, we should be able to get something to you next week, the week of September 12th. Also, do you anticipate any outstanding issues remaining after our response to comments that will require elevation?

Thank you,

Claudia
